

Want to work in gorgeous Snowmass Village, Colorado?

The Sweet Life Snowmass is coming soon!!!

As you may know, the new Base Village in Snowmass is moving quickly to get portions of the development open by this Winter. The Sweet Life is a part of this "phase 1" opening and we are currently planning to be up and running by mid-January.

To give you a bit of our history, we currently have two Sweet Life stores in Telluride. Back in July 2003 when we first opened, the store's original intent was to fill a niche in this resort town and sell candy, homemade ice cream and an affordable diner style meal. It quickly became a favorite among both locals and tourists with lines out the doors. The Sweet Life has been featured on both MTV and the Food Network and the business is growing very rapidly. This past winter the opportunity was presented to us to open a Sweet Life in the new base village in Snowmass. Knowing that Snowmass is such a family oriented ski mountain, we knew that this was the perfect fit for our business.

The Sweet Life Snowmass will be two levels. The first level is devoted entirely to the candy, ice cream and retail portions of the store. The second level is a sit-down diner style restaurant with a huge wrap around deck that has perfect après-ski sun exposure! The building is positioned right at the base of the mountain nestled between the "Treehouse" Children's Center and the Gondola. Although we don't know our exact opening date at this point, we wanted to get the word out that we are looking to hire staff in a variety of different positions. Wait Staff, Kitchen Staff: Cooks & Dishwashers, Ice Cream Counter Staff & Management. We are open to hire full time or part time positions and we can work around your schedule from another job.

We will need employees that can handle a very fast paced, hip, exciting environment where you could potentially have many different responsibilities. We believe in creating a fun and rewarding working environment where there are plenty of opportunities to grow and earn benefits (bus pass, ski pass, health insurance etc.) We have hopes of opening many Sweet Life stores in a variety of resorts and we would love for you to join our team as we embark on this new stage!
